RE: Annual Contest/Open House
FROM: Charles T. Brock, Director

We would like to invite you to our **Annual Contest and Open House** which will be held on **Friday, May 6, 2016**, at our Philadelphia training facility from 8 AM to 5 PM. This is a good opportunity to tour our facility and see firsthand what our apprentices learn in their four years of apprenticeship. If you are interested in attending, please call and let us know.

For your own information, there will be competition in five categories: general carpenter, interior finish carpenter, floor layer, mill/cabinetmaker, and millwright. The contestants were chosen from the graduating apprentices who scored the highest in a written test to become eligible to take part in the manual contest.

Along with the contest, we have trade show exhibits going on during the day. Last year we had 25 exhibitors and expect more this year. There will also be demonstrations by our wharf and dock builder apprentices. Some of our other trades will display their fine craftsmanship as well. Many of the local vocational and high schools attend the open house. Complimentary refreshments are served throughout the day.

Thank you for your consideration and should you have any questions, please feel free to call.
